

**PERSONNEL
POLICY
TOWN OF SHAFTSBURY, VERMONT**

Section 1: TITLE AND AUTHORITY

This policy shall be known as the Town of Shaftsbury personnel policy. It has been adopted by the Town of Shaftsbury Selectboard pursuant to 24 V.S.A. §§ 1121 and 1122.

This personnel policy does not constitute a contract of employment. Employment with the Town of Shaftsbury is *at-will* and not for any definite period or succession of periods of time. The Town or the employee may terminate employment at any time, with or without notice. The Selectboard reserves the right to amend any of the provisions of this personnel policy for any reason and at any time, with or without notice.

This personnel policy will be administered by the Selectboard or its authorized representative.

Section 2: PERSONS COVERED

This personnel policy applies to full-time and part-time employees of the Town of Shaftsbury. Except by separate written agreement, elected officers and their statutory assistants, members of Town boards and commissions, volunteers, seasonal employees and persons who provide the Town with services on a *contract* basis are not covered by this policy.

For purposes of this policy, a full-time employee is an employee who works at least 35 hours per week on a regular and continuing basis. A part-time employee is an employee who works fewer than 35 hours per week on a regular and continuing basis.

Where a conflict exists between this policy and any collective bargaining agreement or individual employment contract, the latter will control.

“Public Works” includes the road crew, water department, and parks employees.

Section 3: EQUAL EMPLOYMENT OPPORTUNITY

The policy of the Town is to provide equal opportunity to all employees and applicants without regard to race, color, religion, ancestry, sex, sexual orientation, gender identity, age, national origin, place of birth, marital status, disability, veteran's status, HIV status, pregnancy, genetic information or any other category of person protected under state or federal law.

Section 4: PROBATIONARY PERIOD

All new employees will be required to complete a six-month probationary period. The purpose of this probationary period is to determine whether the employee is suited for the job. During the probationary period, an employee may be terminated at any time at the sole discretion of the Selectboard. Notwithstanding any other provision of this policy, an employee terminated during the probationary period will have no right to appeal such termination.

Section 5: CONDUCT OF EMPLOYEES

All employees are considered representatives of the Town and as such are expected to conduct themselves in a courteous, helpful and respectful manner in all their interactions with the public, other employees, and elected and appointed officials.

All employees are expected to faithfully execute the duties and responsibilities of their office to the best of their ability and in compliance with the provisions of this personnel policy.

Section 6: CONFLICTS OF INTEREST

Every employee of the Town shall carry out his or her job in a way that ensures that neither the individual employee nor any other employee of the Town will gain a personal or financial advantage from his or her work for the Town and so that the public trust will be preserved. All decisions made by Town employees shall be made based on the best interest of the community at large rather than the interests of any particular individual or employee.

An employee shall not participate in any official action if he/she has a conflict of interest in the matter under consideration. A "conflict of interest" shall mean a direct or indirect personal or financial interest of the employee, his or her spouse, household member, child, stepchild, parent, grandparent, grandchild, sibling, aunt or uncle, brother- or sister-in-law, business associate, employer or employee, in the outcome of a cause, proceeding, application or any other matter pending before the employee or before the Town.

An employee shall not personally, or through any member of his or her household, business associate, employer or employee, represent, appear for, or negotiate in a private capacity on behalf of any person or organization in a cause, proceeding, application or other matter pending before the Town.

An employee shall not use resources not available to the general public, including but not limited to Town staff time, equipment, supplies, or facilities, for private gain or personal purposes.

An employee may accept a nominal gift or gratuity in connection with an action associated with their official duties on behalf of the Town with an estimated monetary value not exceeding \$20 once per calendar year, with the understanding that employees may not directly or indirectly ask,

demand, exact, solicit, accept or receive any gift, gratuity, act or promise beneficial to that individual, or another, which could influence any action or inaction associated with their official duties on behalf of the Town, or create the appearance of impropriety in connection with any actions or inactions associated with their official duties on behalf of the Town. Nor shall any employee authorized to procure or to recommend procurement of materials, supplies or services corruptly, directly or indirectly, ask, demand, exact, solicit, seek, accept, receive or agree to receive for the employee or another person, any benefit or benefits from the person providing or soliciting the provision of such materials, supplies or services with the exception of items of a de minimus nature valued \$20 or less (such as vendor booth "freebies").

Section 7: HOURS OF SERVICE

Regular work hours for the road crew shall be 7 a.m. to 3:30 p.m., Monday through Friday, with 30 minutes allowed for lunch, unless the Road Foreman and the Selectboard agree otherwise.

Regular work hours may be changed and employees may be expected to work additional hours that may exceed forty hours in a given week, as circumstances require. All road crew employees are required to be available for work as required to keep Town roads passable, especially during the winter months. All Town employees are required to be available for work in the case of an emergency, weather related or otherwise.

All employees are expected to be in attendance during regular work hours. Employees who will be absent from work are expected to notify their supervisor in advance whenever possible. Employees who are calling in sick are expected to notify their Supervisor as soon as possible, but no later than 7 a.m.

Section 8: OUTSIDE EMPLOYMENT

The primary occupation of all full-time employees shall be with the Town. Employees may not engage in any outside business activities during their normal working hours. Employees are prohibited from undertaking outside employment that interferes with their job performance or constitutes a conflict of interest, as defined in Section 6 of this Policy

Prior to accepting any outside employment, employees will disclose their intent to do so in writing and obtain prior clearance from the Selectboard that such employment does not constitute a conflict of interest.

A conflict of interest means a direct or indirect personal or financial interest of an employee, his or her close relative, household member, business associate, employer or employee. A close relative includes a spouse, civil union partner, romantic co-habitant, parent, stepparent, grandparent, child, stepchild, grandchild, sibling, aunt or uncle, niece or nephew, parent-in-law and sibling-in-law.

Section 9: POLITICAL ACTIVITY

No employee may use his or her official authority

- For the purpose of interfering with or affecting the nomination or election of any candidate for public office, or
- To demand or solicit from any individual direct or indirect participation in any political party, political organization or support of any political candidate.

Employees are prohibited from using Town facilities, equipment or resources for political purposes and from pursuing political activities while working.

This personnel policy is not to be construed to prevent employees from becoming or continuing to be members of any political party or organization, from attending political party or organization meetings or events, or from expressing their views on political matters, so long as these views are clearly articulated as being those of the individual and not of the Town, and these activities do not interfere with the individual's ability to effectively perform his or her duties and take place or are expressed during non-working hours. Nor is this personnel policy to be construed as prohibiting, restraining or in any manner limiting an individual's right to vote with complete freedom in any election.

Section 10: NEPOTISM

The Town in recognition of the potential for a conflict of interest to occur in the workplace where a close relative is responsible for supervising or evaluating the work performance of another close relative - prohibits the hiring or transferring of relatives, when doing so will result in a close relative supervising or evaluating another close relative, or a close relative supervising or evaluating the immediate supervision of another close relative.

A close relative includes a spouse, civil union partner, romantic co-habitant, parent, stepparent, grandparent, child, stepchild, grandchild, sibling, aunt or uncle, niece or nephew, parent-in-law and sibling-in-law.

Section 11: ALCOHOL AND DRUG USE

The following conduct is prohibited during working hours, while using Town equipment, and/or while on Town property:

- The use of alcohol;
- The use of drugs except in the manner prescribed by a duly-licensed physician or dentist;
- Being impaired by drugs or alcohol;
- The possession, sale, transfer, or purchase of illegal drugs.

An employee who engages in any of the above behaviors will be subject to disciplinary action up to and including termination.

Section 12: TOBACCO USE

In recognition of the hazards that tobacco poses to the health of employees, and in accordance with 18 V.S.A. §§ 1421 et seq. and 18 V.S.A. §§ 1741 et seq., the Town hereby prohibits employees' use of tobacco in any form, including electronic cigarettes, in all publicly-owned buildings, offices and enclosed areas, and in all Town vehicles. This clause replaces the Tobacco Free Workplace Policy enacted by the Selectboard in December 2016 that became effective January 2017.

Section 13: PERFORMANCE EVALUATIONS

Employees may be subject to job performance evaluations at such times and in such manner as the Selectboard or its authorized representative deems reasonable. The results of such evaluations will be submitted to the employee, the employee's supervisor, the Town Administrator and will become a part of the employee's personnel file.

Section 14: PERSONNEL RECORDS

Personnel records will be maintained for each employee of the Town. In accordance with Vermont's Public Records Law, any employee or the employee's designated representative may inspect or copy his or her personnel file at a mutually agreeable time during regular office hours. The Town reserves the right to have its representative present at the time its files are examined or copied.

Section 15: USE OF TOWN EQUIPMENT

Except as provided in Section 16, the use of Town equipment or property for personal use is strictly prohibited. Employees should have no expectation of privacy regarding anything stored in or on Town-owned property or Town-owned equipment, including but not limited to desks, filing cabinets, lockers, and vehicles. Employees should expect that such areas may be searched at any time to retrieve work-related materials or to investigate violations of workplace rules.

Section 16: USE OF TOWN COMPUTER SYSTEM

For purposes of this policy, "computer system" means all computers and devices and any related hardware, equipment, components, or software, including, but not limited to, host computers, file servers, workstation terminals, laptops, tablets, smartphones, internal or external communication networks, the world wide web (www), the Internet, commercial online services, bulletin board systems, back-up systems, and the internal and external e-mail systems accessed via the Town's computer equipment.

All electronic communications regarding Town business should be, to the furthest extent possible, conducted via official Town computer systems. A Town employee should avoid conducting Town business using his or her personal computer, device, or account.

The Town computer system is to be used by employees for the purpose of conducting Town business. Occasional, brief, and appropriate personal use of the Town computer system is permitted, provided it is consistent with this policy and does not interfere with an employee's job duties and responsibilities.

Employees should have no expectation of privacy or confidentiality regarding anything created, sent or received on the Town computer system. The Town may monitor at any time its computer system without warning or any specific notice to employees including any and all computer transactions, communications and transmissions for any reason including, but not limited to ensuring compliance with this policy and evaluating the use of its computer system. All files, documents, data and other electronic messages created, received or stored on the Town computer system are open to review and regulation by the Town and may be subject to the provisions of Vermont's Public Records Law.

Employees may not introduce software from any outside source on the Town's computer system without explicit prior authorization from their supervisor. Employees may be held responsible for any damages caused by using unauthorized software or viruses they introduce into the Town computer system.

Employees who have a confidential password to access the Town's operating system should be aware that this does not mean the computer system is for personal confidential communication, nor does it suggest that the computer system is the property of that person.

Transmission of electronic messages on the Town computer system shall be treated with the same degree of propriety, professionalism, and confidentiality as written correspondence. The following are examples of uses of the Town computer system which are prohibited:

- Communications that in any way may be construed by others as disruptive, offensive, abusive, discriminatory, harassing, or threatening;
- Communications of sexually explicit images or messages;
- Transmission of chain letters or solicitations for personal gain, commercial or investment ventures, religious or political causes, outside organizations, or other non-job-related solicitations during or after work hours;
- Access to Internet resources, including web sites and news groups, that are inappropriate in a business setting;
- Any other use that may compromise the integrity of the Town and its business in any way.

Nothing in this policy will be interpreted or applied in a manner that interferes with employee rights to organize, form, join, or assist labor organizations, to bargain collectively through representatives of their choosing to the extent allowed by law, or to engage in other concerted activities for the purpose of addressing the terms and conditions of employment.

Section 17: PUBLIC RECORDS

Any written or recorded information that is produced or acquired by a Town employee in the course of Town business is a public record, subject to Vermont's Public Records Law and may be covered by the State of Vermont's retention rules and disposition schedules for Town records. Although the Town discourages the use of personal computers, devices, or accounts to conduct Town business (see Section 16, above), the use of a personal computer, device, or account does not prevent an otherwise public record from being subject to public inspection and copying. In the uncommon event that an employee uses their personal computer, device, or account to conduct Town business, the record created, sent, or received should be forwarded by the employee to the employee's Town computer system, or otherwise captured and retained as a Town record. All employees are required to respond in the manner prescribed by Vermont's Public Records Law regardless of where a Town public record may be stored. All employees must provide any Town public records stored in their personal computers, devices, or accounts that are responsive to a public records request.

Section 18: ELIGIBILITY FOR BENEFITS

The Town offers group insurance programs for the benefit of its eligible full-time and eligible part-time employees and eligible elected officials. Details about those benefits, as they exist on the date of hire or election are included as an attachment to this Policy.

Part-time employees who are regularly scheduled to work at least 30 hours a week are eligible to receive the above benefits on a prorated basis, subject to the eligibility requirements of the insurance earner.

The Town reserves the right to change insurance carriers, or to add, delete or amend insurance benefit programs in its sole discretion. The Town also reserves the right to change the amount or percentage of its contribution to the cost of any group health insurance program. Employees will be provided with advance notice of any change in the contribution rate.

Section 19: HOLIDAY LEAVE

Full- and part-time employees will receive the following paid holiday leave:

- New Year's Day (January 1)
- Martin Luther King Jr.'s Birthday (3rd Monday in January)
- Presidents Day (3rd Monday in February)
- Memorial Day (last Monday in May)
- Independence Day (July 4)
- Labor Day (1st Monday in September)
- Columbus Day (second Monday in October)
- Veterans' Day (November 11)
- Thanksgiving Day (4th Thursday in November)
Day after Thanksgiving (Fourth Friday in November)
- Christmas Day (December 25)

Employees will receive holiday leave pay for the number of hours in the employee's typical work day on which the holiday falls, at the employee's regular rate of pay. Part-time employees will receive prorated holiday leave pay based on the number of hours the employee is regularly scheduled to work. Holiday leave that is not actually worked by an employee will not be included in calculating overtime for that employee.

Holidays falling on a Saturday will be observed the preceding Friday. Holidays falling on a Sunday will be observed the following Monday.

Holidays that fall during an employee's vacation leave will not be charged as vacation leave.

Section 20: VACATION LEAVE

Full-time employees will accrue vacation at the following annual rates: Years of

Service	<u>Annual Rate</u>
0-1 years	5 days
2-4 years	10 days
5+ years	15 days

Current employees will be credited with their annual rate of vacation leave on the first day of each fiscal year. New hires will be pro-rated from time of hire. However, an employee may not take vacation during his/her probationary period. An increase in the annual rate of accrual of vacation time will occur at the beginning of each fiscal year.

Full-time employees will receive vacation leave pay at the employee's regular rate of pay. Part-time employees will receive prorated vacation leave pay based on the number of hours the employee is regularly scheduled to work in a week. Leave must be taken in a minimum of 1 hour increments.

Employees are strongly encouraged to take an annual vacation. Requests for vacation should be submitted to the employee's supervisor as soon as possible but not less than one week in advance of the requested time off. No more than one Public Works employee will be granted vacation at one time. Public Works employees are expected to be available November 1 to March 30 each year.

If an employee does not use all of the employee's accrued vacation leave in a year, the employee may carry unused, accrued vacation leave forward to the next year up to a maximum of two years' worth of vacation days, where "two years' worth" means the amount of vacation the employee accrued in the preceding two years. Any unused, accrued vacation leave that exceeds the amount carried forward will be forfeited.

An employee who resigns from employment with the Town will be compensated for unused, accrued, and not forfeited vacation leave, with the exception that any employee who terminates during their probationary period will not be entitled to compensation for any accrued vacation time.

Section 21: SICK LEAVE

Definition

For the purposes of this Section of the Policy, the following definition shall apply: "eligible employee" means an employee or an elected official of the Town who: (a) is age 18 or older; (b) works an average of 18 or more hours per week during the year; and (c) is expected to work 20 or more weeks in a 12-month period. This definition includes newly-hired employees and those who are still in their probationary period of employment. This definition does not include an individual who: (i) works on a per diem or intermittent basis; (ii) works only when he or she indicates that he or she is available to work; (iii) is under no obligation to work for the Town; and (iv) has no expectation of continuing employment with the Town.

Earned Sick Leave

Full time eligible employees will earn 96 hours per year. Eligible part-time employees will earn 1 hour of paid sick leave for every 52 hours worked by that employee. Such leave will be awarded to employees in a lump sum at the beginning of the annual period.

Accrual Limit

The amount of hours of leave that an eligible full time employee may accrue in a 12-month period is limited to 96 hours. Eligible part time employees may accrue 40 hours in a 12-month period.

Waiting Period

An employee may use earned sick leave during his/her probationary period.

Use of Paid Leave

Eligible employees may use earned sick leave in increments no smaller than one hour.

An employee may use sick leave for the purposes below:

- The employee is ill or injured.
- The employee obtains professional diagnostic, preventive, routine, or therapeutic health care.
- The employee cares for a sick or injured parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, or foster child, including helping that individual obtain diagnostic, preventive, routine, or therapeutic health treatment, or accompanying the employee's parent, grandparent, spouse, or parent-in-law to an appointment related to his or her long-term care.

- The employee is arranging for social or legal services or obtaining medical care or counseling for the employee or for the employee's parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, or foster child, who is a victim of domestic violence, sexual assault, or stalking or who is relocating as the result of domestic violence, sexual assault, or stalking. As used in this section, "domestic violence," "sexual assault," and "stalking" shall have the same meanings as in 15 V.S.A. § 1151.
- The employee cares for a parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, or foster child, because the school or business where that individual is normally located during the employee's workday is closed for public health or safety reasons.

Leave may also be used for any appointment or event authorized in advance by the employee's supervisor such a real estate closing, funeral, or other personal issue.

Employees must provide notice as soon as practicable of the intent to use earned sick time and the expected duration of the employee's absence. Employees must make reasonable efforts to avoid scheduling routine or preventive health care or other appointments during regular work hours.

Compensation for use of paid leave will be at the employee's regular rate of pay.

Use of this paid leave does not diminish the rights that an employee may have under the Vermont Parental Family Leave Act, 21 V.S.A. § 470.

Carryover of Paid Leave

If an employee does not use all of his or her accrued sick leave in a 12-month period the accrued, unused sick leave carries over into the next 12 month period.

Compensation at Time of Separation from Employment

The Town will not compensate eligible employees for unused, accrued sick leave at the time of separation from employment.

Section 22: BEREAVEMENT LEAVE

Employees may be provided with up to 3 paid bereavement leave days (pro-rated for part-time employees) related to the death of a close family member, domestic partner or member of an employee's household. The exact amount of time off is dependent upon the circumstances and subject to supervisor approval. For purposes of this policy, close family member is defined as the following: spouse, civil union partner, romantic co-habitant, parent, stepparent, grandparent, child, stepchild, grandchild, sibling, aunt, uncle, niece, nephew, parent-in-law, or sibling-in-law.

If additional time off is needed, or if time off is needed for the funeral of a friend or a relative who is not an immediate family member as defined above, nor a domestic partner, nor member of an employee's household, the employee's supervisor may grant, on a case-by-case basis, the use of a reasonable amount of accrued sick leave, if available, or, if not, unpaid leave. The amount of such time off, if approved, will depend upon the individual circumstances such as the distance to be traveled, closeness of the employee's relationship with the person who died or his/her family, and the employee's level of responsibility in making funeral or other arrangements.

Paid bereavement leave does not accrue and thus, when not used, is not carried forward into the next year nor compensated upon separation from employment.

Section 23: PARENTAL AND FAMILY LEAVE

Eligible employees may receive leave as described in the Vermont Parental and Family Leave Act (VPFLA). This state law will determine employee eligibility, the qualifying reasons for such leave and the length of leave.

The Town reserves the right to designate any qualifying leave of absence granted under this policy as leave under FMLA or the VPFLA. A request for leave must be made to Town Administrator. Where an employee's leave request is covered by the VPFLA and the FMLA, the Town will adhere to the law that provides the most benefits to the employee. If an employee is entitled to leave under both the VPFLA and FMLA, the leave periods will run concurrently.

For the purposes of determining the twelve-month period in which an employee may be entitled to VPFLA and/or FMLA leave, the Town will use a rolling twelve-month period measured backward from the date an employee uses such leave.

Section 24: SHORT TERM FAMILY LEAVE

In accordance with the 21 V.S.A. § 472a, eligible employees may be entitled to take unpaid leave not to exceed four hours in any thirty-day period and not to exceed twenty-four hours in any twelve-month period for the following purposes:

- To participate in preschool or school activities directly related to the academic educational advancement of the employee's child, stepchild, foster child, or ward who lives with the employee, such as a parent-teacher conference;
- To attend or accompany the employee's child, stepchild, foster child, or ward who lives with the employee or the employee's parent, spouse or parent-in-law to routine medical or dental appointments;

- To accompany the employee's parent, spouse or parent-in-law to other appointments for professional services related to their care and well-being; or
- To respond to a medical emergency of the employee's child, stepchild, foster child, or ward who lives with the employee or the employee's parent, spouse or parent-in-law.

The Town may require that leave (including vacation and personal leave) be taken in a minimum of one-hour segments. At the option of the employee, accrued paid leave may be used. Before taking leave under this section an employee shall make a reasonable attempt to schedule appointments outside of regular work hours. An employee shall provide the Town with the earliest possible notice of the intent to take short term family leave, but in no case later than seven days before leave is to be taken, except in the case of an emergency where the required seven-day notice could have a significant adverse impact on the family member of the employee.

Section 25: LEAVE OF ABSENCE WITHOUT PAY

A request to take unpaid leave from employment for the purpose of attending Town meeting, must be made at least seven days prior to the date of the Town meeting. Such leave will be granted provided that it does not cause an interruption of the essential operation of Town government.

Other requests for leaves of absence without pay for any reason other than those covered by federal or state law must be submitted in writing to the employee's supervisor and must set forth the purpose for which the leave is requested. All leave requests must be for a definite period of time and include a specified date of return.

If a leave of absence without pay is granted, the employee may, at the Town's sole discretion, continue the employee's group health plan coverage by paying the required premium in accordance with the payment schedule established by the Town. Other employee benefits (e.g. sick leave, vacation, seniority, etc.) will not accrue during an unpaid leave period that exceeds 5 days.

Section 26: MILITARY LEAVE

The Town will comply with the requirements of the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. §§ 4303 et seq., and 21 V.S.A. §§ 491 et seq. Employees who take military leave subject to the provisions of these laws will be granted leave without pay. At the option of the employee, any paid leave accrued prior to the commencement of the leave may be used.

Section 27: JURY LEAVE

The Town will compensate employees for their service as jurors or witnesses when unrelated to their status as a Town employee at the employee's regular hourly rate. In accordance with 21

V.S.A. § 499, employees will otherwise be considered in the service of the Town for purposes of determining seniority, benefits, credit towards vacations, sick leave, and other rights, privileges, and benefits of employment.

When Town employees are called to serve as a witness in a court proceeding due to their status as an employee of the Town, the Town will compensate the employee for the difference between their regular rate of pay and their compensation as a witness. The Town will pay the difference only when the employees' regular rate of pay exceeds their compensation as a witness.

Section 28: OVERTIME AND COMPENSATORY TIME OFF

In accordance with the federal Fair Labor Standards Act, the Town compensates nonexempt employees at the rate of one and one-half hours for each hour actually worked in excess of forty hours in any workweek. Holidays, sick time, and vacation days do not count as hours worked for purposes of calculating either overtime or compensatory time eligibility.

In place of overtime pay, the Town in its discretion may provide nonexempt employees with compensatory time off ("comp time") subject to the following conditions:

- Comp time is earned at a rate of one and one half hours for each hour worked in excess of forty hours actually worked in any workweek.
- An employee may accrue a maximum of 240 hours of comp time. An employee who has accrued 240 hours of comp time will be paid overtime compensation for additional overtime hours of work.
- An employee may, at the Town's discretion, be paid in cash in lieu of comp time.
- An employee receiving payment for accrued comp time will be paid at the regular rate of pay earned by the employee at the time the employee receives such payment.
- Upon termination from employment, an employee will be paid for unused comp time at a rate not less than the average regular rate of pay received by the employee during the last three years of employment or the employee's final regular rate of pay, whichever is higher.

An employee who has accrued comp time and requests use of comp time will be permitted to use such time off within a reasonable period after making the request, if such use does not unduly disrupt the Town's operations. Requests for use of comp time must be submitted to the employee's supervisor, who will have sole discretion to grant or deny the request. Requests for use of comp time will not unreasonably be withheld.

Section 29: EMPLOYMENT HARASSMENT AND DISCRIMINATION

The Town is committed in all areas to providing a work environment that is free from unlawful harassment and discrimination. Vermont and federal law prohibit employment discrimination or retaliation based on race, color, religion, sex, gender identity, marital status, national origin, age, pregnancy, genetic information, veteran status, any other category of person protected under federal or state law, or against a qualified individual with a disability with respect to all employment practices. Vermont law also prohibits discrimination based on sexual orientation, ancestry, HIV status, and place of birth. It is also unlawful to retaliate against employees or applicants who have alleged employment discrimination.

Examples of harassment include the following: insulting comments or references based on a person's race, color, religion, sex, gender identity, marital status, national origin, age, pregnancy, genetic information, veteran status, disability, sexual orientation, ancestry, HIV status, place of birth; aggressive bullying behaviors; inappropriate physical contact or gestures, physical assaults or contact that substantially interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment; retaliation against an employee for complaining about the behaviors described above or for participating in an investigation of a complaint of harassment.

Petty slights, annoyances, and isolated incidents (unless serious) will not rise to the level of illegality. To be unlawful, the conduct must create a work environment that would be intimidating, hostile, or offensive to reasonable people.

The Town will not tolerate unlawful harassment based on a person's race, color, religion, sex, gender identity, marital status, national origin, age, pregnancy, genetic information, veteran status, disability, sexual orientation, ancestry, HIV status, place of birth, or membership in a classification protected by law. Likewise, the Town will not tolerate retaliation against an employee for filing a complaint of harassment or for cooperating in an investigation of harassment.

All employees, including supervisors and other management personnel, are expected and required to abide by this policy. Employees who are found to have engaged in harassment may face disciplinary action up to and including termination. Any individual who believes that she or he has been the target of this type of harassment, or who believes she or he has been subjected to retaliation for having brought or supported a complaint of harassment, is encouraged to directly inform the offending person or persons that such conduct is offensive and must stop.

Any employee who wishes to report harassment should file a complaint with:

Town Administrator or
Select Board Chair

A prompt, thorough and impartial investigation will be conducted and confidentiality will be protected to the extent possible. If it is determined that unlawful harassment has occurred, the Town will take immediate and appropriate corrective action. No person will be adversely affected in employment with the Town as a result of bringing a complaint of unlawful harassment.

Complaints of harassment or retaliation may also be filed with the following agencies:

Section 30: SEXUAL HARASSMENT

Sexual harassment in the workplace is illegal under federal and Vermont law and is strictly prohibited. The Town is committed to providing a workplace free from this unlawful conduct. All employees have the right to work without being subjected to insulting, degrading or exploitative treatment on the basis of their gender. It is against the policies of the Town for any individual, male or female, to sexually harass another individual in the workplace. In accordance with 21 V.S.A. § 495h, the Town has adopted the following sexual harassment policy. All employees are required to read this policy before signing the employee acknowledgement form.

Sexual harassment is a form of sex discrimination and means unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

- Submission to that conduct is made either explicitly or implicitly a term or condition of employment;
- Submission to or rejection of such conduct by an individual is used as a component of the basis for employment decisions affecting that individual; or
- the conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

Examples of sexual harassment include, but are not limited to, the following when such instances or behavior come within one of the above definitions:

- either explicitly or implicitly conditioning any term of employment (e.g., continued employment, wages, evaluation, advancement, assigned duties or shifts) on the provision of sexual favors;
- touching or grabbing a sexual part of an individual's body;
- touching or grabbing any part of an individual's body after that party has indicated, or it is known, that such physical contact was unwelcome;
- continuing to ask an individual to socialize on or off-duty when that person has indicated he/she is not interested;
- displaying or transmitting sexually suggestive pictures, objects, cartoons or posters if it is known or should be known that the behavior is unwelcome;

Section 31: EMPLOYEE DISCIPLINE

The Town has adopted a progressive discipline process to identify and address employee and employment-related problems. The Town's progressive discipline process applies to any and all employee conduct that the Town in its sole discretion, determines must be addressed by discipline.

Under the Town's progressive discipline process, an employee may be subject to disciplinary action, up to and including termination, for violation of the provisions of this personnel policy and/or failure to maintain an acceptable level of performance. The Town may take prior disciplinary action into consideration when disciplining or terminating an employee. Violations of different rules may be treated as repeated violations of the same rule for purposes of progressive discipline.

Most often, employee conduct that warrants discipline results from unacceptable behavior, poor performance, or violation of the Town's policies, practices, or procedures. However, discipline

may be issued for conduct that falls outside of those identified areas. The Town also reserves the right to impose discipline for off-duty conduct that adversely impacts the legitimate interests of the Town. The Town reserves the right in its sole discretion to bypass progressive discipline and to take whatever action it deems necessary to address the issue at hand. This means that more or less severe discipline, up to and including termination, may be imposed in a given situation at the Town's sole discretion.

The Town also retains the right to unilaterally eliminate positions or reduce the work hours of a position or positions due to economic conditions, shortage of work, organizational efficiency, changes in departmental functions, reorganization or reclassification of positions resulting in the elimination of a position or for other related reasons.

The Town will normally adhere to the following progressive disciplinary process, but reserves the right to bypass any or all steps of progressive discipline when it determines, in its sole discretion, that deviation from the process is warranted: (1) verbal warning; (2) written warning; (3) suspension; and (4) termination.

Employees are prohibited from engaging in conduct listed below and may receive discipline, up to and including termination, for doing so. This list has been established to provide examples of behavior that could warrant a range of disciplinary sanctions. Appropriate levels of discipline may be based on the severity of employee conduct. This list is not exhaustive.

- Engaging in any illegal activity.
- Refusing to do assigned work or failing to carry out the reasonable assignments of a Supervisor or Town Administrator.
- Being inattentive to duty, including sleeping on the job.
- Falsifying a time card or other record or giving false information to anyone whose duty is to make such record.
- Being repeatedly or continuously absent or late, being absent without notice or satisfactory reason or leaving one's work assignment without appropriate authorization.
- Conducting oneself in any manner that is offensive, abusive or contrary to reasonable community standards and expectations of public employees.
- Engaging in any form of harassment including sexual harassment.
- Misusing, misappropriating, or willfully neglecting Town property, funds, materials, equipment or supplies.
- Unlawfully distributing, selling, possessing, using or being under the influence of alcohol or drugs when on the job or subject to duty.
- Fighting, engaging in horseplay or acting in any manner which endangers the safety of oneself or others. This includes acts of violence as well as threats of violence.
- Stealing or possessing without authority any equipment, tools, materials or other property of the Town or attempting to remove them from the premises without approval or permission from the appropriate authority.
- Marking or defacing walls, fixtures, equipment, tools, materials or other Town property, or willfully damaging or destroying property in any way.
- Failure to search for or disclose public records upon request.
- Willful violation of Town rules or policies.

Section 32: EMPLOYEE TERMINATION PROCESS

The Town has adopted an employment termination process. Most often, employee conduct that warrants termination results from unacceptable behavior, poor performance, or violation of the Town's policies, practices, or procedures. However, termination may result from conduct that falls outside of those identified areas. The Town need not utilize this termination process but may take whatever action it deems necessary to address the issue at hand.

The Town also retains the right to unilaterally eliminate a position and thus terminate employment or reduce the work hours for some or all employees due to economic conditions, shortage of work, organizational efficiency, changes in departmental functions, reorganization or reclassification of positions resulting in the elimination of a position or for other related reasons. In such case, this termination process does not apply.

Probationary employees are not subject to the Town's termination process. Notwithstanding any other provision of this policy, an employee terminated during the probationary period will have no right to appeal such termination.

An employee being considered for termination will be provided with written notice. The notice will contain a brief statement of the reasons termination is being considered and the date, time and place of a pre-termination meeting with the employee's supervisor.

At the pre-termination meeting, the employee will be afforded an opportunity to present the employee's response to the reasons for termination. If the employee declines to attend the pre-termination meeting, the employee may submit a written response to the pre-termination notice not later than the scheduled date of the meeting.

Within seven calendar days of the date of the meeting, the supervisor will provide the employee with a written notice informing the employee whether he/she has been terminated. If the employee has been terminated, the notice will provide the general reasons therefore and will also inform the employee of the opportunity to request a post-termination hearing before the Selectboard by giving written notice of such request to the supervisor within seven days. The employee will be informed that the employee's failure to make a timely request for a post-termination hearing will result in such hearing being waived.

If a request for a post-termination hearing is made, the Selectboard will provide the employee with a notice informing the employee of the date, time, and place of the post-termination hearing before the Selectboard. The notice will inform the employee of his or her right to be represented by counsel, to present and cross-examine witnesses and to offer supporting documents and evidence.

At the post-termination hearing, the employee will be afforded the opportunity to address the basis for termination by hearing and examining the evidence presented against the employee, cross-examining witnesses and presenting evidence on his/her behalf. The Selectboard will make such determinations as may be necessary in the event of evidentiary objections or disputes. When the hearing is adjourned, the Selectboard, under the authority granted by 1 V.S.A. § 312(e), will consider the evidence presented in the hearing in deliberative session.

The Selectboard will render a written decision within fourteen days after close of the hearing, unless otherwise agreed upon by the parties.

Section 33: SEVERABILITY

If any provision of this personnel policy or the application hereof to any person or a circumstance(s) is held invalid, this invalidity does not affect other provisions or applications of the personnel rules which can be given effect without the invalid provision or application. For this purpose, this personnel policy is severable.
